## St. James Memorial Garden Regulations

### Purpose

The purpose of the Memorial Garden is to offer a tranquil area for rest and meditation, and to provide for the interment of ash remains.

### Interment

1. There are no restrictions, subject to the following regulations, as to who may be interred within the Garden.
2. The ashes are interred directly into the ground; no urns of any type are used for burial.
3. The place of interment in the Garden shall follow a plan adopted by the Memorial Garden Committee. No particular place may be chosen or designated by the applicant.
4. The name of each person whose remains are interred in the Garden, with dates of birth and death, will be listed on an individual cast bronze nameplate on the high brick wall of the Garden. No individual markers will be permitted in the Garden.
5. The basic design, planning, planting, and arrangement of the Garden shall at all times be under the supervision of the Garden Committee, subject to the final approval of the St. James Vestry.

Contributions for additions or improvements will be gladly received by the Garden Committee, subject to Regulation 5 above.
